DETAILED ACTION

The amendment filed on 8/30/2004 has been entered. Claim 1 and newly added claims 2-76 are presented for examination.

Allowable Subject Matter

Claims 1-76 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art discloses methods and systems for granting permission to access personal information. However, the prior art fails to disclose a method and system for granting a third party to access personal information in forms of broadcast media recorded on a storage medium comprising the steps of: receiving media data information and its associated code; selecting one media selection; selectively storing the code associated with the media selection, transmitting the code to a first station, and receiving the media information on a recording medium; and having the function and characteristics as recited in claim 1.

The prior art also fails to disclose the limitations of claims 30 and 56.
